- EC Notified Body No 0758 -

Certificate of conformity of the factory production control

No 0758.CPR - 005

Translation of the original German certificate. In case of doubt only the German certificate is valid.

In compliance with Regulation (EU) No 305/2011 (CPR) of the European Parliament and of the Council of 9 March 2011, this certificate applies to the performance of the factory production control in the

manufacturing plant

SIDENOR
Steel Industry S.A.
GR - 57008 Ionia - Thessaloniki

regarding to the production of the construction products:

product:	acc. to EN / DIN	production range [mm]
hot rolled structural steel equal leg angles	10056-1:2017-06	20 x 2,5 to 80 x 8
hot rolled flat steel bars	10058:2003-10	10 x 2,5 to 150 x 20
hot rolled square steel bars	10059:2004-02	10 to 40
hot rolled round steel bars	10060:2004-02	8 to 40
hot rolled I-beams, IPE-serie	1025-5:1994-03	IPE 80 to IPE 120
hot rolled steel channels; taper flange steel channels	1026-1:2009-09	U 30 to U 100

and steel grades:

designation according to:				
	EN 10027-1	S355JR	S355JO	S355J2
	EN 10027-2	1.0045	1.0553	1.0557

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonized Standard

EN 10025-1:2004

under system 2+ are applied, that the first testing was completed with positive results and that the factory production control is assessed to be in conformity with the applicable requirements. This certificate was first issued on 28.03.2014, last adapted on 25.03.2019 and will remain valid as long neither the harmonised standard, nor the construction product, nor the manufacturing conditions in the plant including the factory production control are modified significantly, and the continuous inspection is performed by the Prüfstelle Prof. Rehm with positive results, no longer than 27.03.2024.

Therefore the manufacturing plant is entitled to mark the construction product with the CE mark.
